1. In first room type 'lick sucker'.
2. Kill Bob for South.
3. Type 'rinse mouth' to exit and say 'gardens' to get inside.
4. Find and kill The Rock Bandit for rock key.
5. At "A cute little rock wags its tail at you." type 'pet rock'.
6. Kill Bob for North.
7. Type 'pop balloon' to exit.
8. Find "A strange pink rock sits here." and 'lift rock'. If it don't work then go 2s and do it again.
9. Go to Dhrip and 'lick dhrip' for Green key.
10. Find "A sinuous strand of ether floats before you." in the maze and 'inhale ether'.
11. Kill Bob for West.
12. Type 'exhale ether' to exit.
13. Now find Gas Rat, hes noscan and nohunt in the ether.
14. Kill Gas Rat for Ether Ore.
15. Find Gnat King Coal and say 'nat king cole' for coal.
16. Hunt Rubber Baron to get out.
17. Give Ether Ore to Rubber Baron for Rubber Key.
18. Find "An elastic flower dances in the breeze." and 'pull flower'.
19. Kill Bob for East.
20. Type 'bounce floor' to exit.
21. Where Tumble and find him and go to him.
22. Give North, South, East, and West to rumble tumbleweed.
23. Now which ever section he was in, he will transport to the other. So translocate or redo the SW and find him quick and kill him for the unrotting Chuckling Compass.
24. Find "A rather spindly rubber tree stands here." and 'climb tree'.
25. Say 'handsome devil' at Rocco for devil's hand. Open west.
25. Find the good and evil aligned spies and kill them for both silver and iron monacles.

26. Go to Quentin de Capita and give him coal for eye.
27. Go to Lady oh and give her eye to get word.
28. Go to Brogfast and give him word for definition.
29. Go to Onna Telos and give her definition for secret.
30. Go to Jack Sludge and give him secret for frozen rat.
31. Go to Samantha Stardust and give her frozen rat for stardust.
32. Go to Jones and give him stardust for serenity.
33. Go to Smith and give him serenity for a very sharp knife.
34. Go to Miss Pickles and give her knife for a cucumber.
35. Go to Agatha Crispy and give her cucumber for orc tooth.
36. Go to Doctor Q and give him orc tooth for viral hex.
37. Go to Seven and give him viral hex for di/vision.
38. Go to General Vroth and give him di/vision for a goblin hammer.
39. Go to Ova and give her the hammer for golden nest.
40. Go to Quentin de Capita and give him the nest for xxheadxx.
41. Go to Dhoubt and give him Compass and then Hand for true compass.
42. Also give Dhoubt head for empty perimeter.
43. Give rock key, rubber key, and green key to Dhogma for Bumblebee.
44. Enter vase and give Bumblebee to Lyx for a simple pink token.
45. Type 'lick sucker' and give both monacles to the tourist for Incognito.
46. Type 'rinse mouth' and then say 'gardens' to go back in.
47. Go back into the ether as told in step 8.
48. Find Think Pink! and give him the token.
49. Say 'prime numbers' to get the pink pass and make your way to Xyl ASAP. Because the pass rots. I suggest to hunt rubber to get out of ether quickly.
50. Once at xyl, wear the compass and give perimeter to Xyl to be sent to the final room and given the letter of introduction.
51. Wear incognito and give the letter to Identity for Gaze.
52. Wait like 10 seconds and he will give you a drop of honey.
53. 'kiss intimacy' to get the area portal An Envelope Of Xyl.
